

[Napkins Murata Jet Spun Polyester](#)

The Classic Dinner Napkin with Muratec's original Vortex yarn has an advantage on the Pilling Index. The fabric made of Vortex yarn has excellent advantages by having less pilling on the surface of the fabrics. Additionally, Vortex yarn has advantages of "Water Absorption", "Quick Dry", and due to a better IPI, CV% compared to Ring spun yarn. This napkin absorbs nicely and is durable as it is Elegant, with a Hemmed Finish. Designed for the industrial buyer.
